

# SIMON ASTILL

## THE APPY LAWYER

### PROFILE

Simon Astill created ProAnnexUs as a simple solution to a common problem.

A professional Lawyer with 25 years experience practising law within medium and large sized firms in England and Wales.

A Corporate Finance specialist with proven track record of delivering outstanding success and results for clients.

The app he has developed enables specialists to have access to clients, and potential clients, they wouldn't otherwise connect with.

No More Needle in a Haystack!

Website: [www.proannexus.com](http://www.proannexus.com)

### EXPERT TOPICS

- Reinventing legal services - the shift from the service driven to client demanded mode
- Technology and the impact on the professions
- Is AI really all it is cracked up to be (and how intelligent is it)
- Professionals have nothing to fear from computers, they are a servant not a master
- The problem is not tech doing what professionals can, it is professionals doing what tech can
- Are the professions ripe for disruptive revolution
- Who benefits from disrupting the professions?
- The tension between solicitors and barristers
- Why the English Legal system is such a worldwide phenomenon
- How the English Bar can take best advantage of current trends in the legal system

### SIMON SAYS...

"ProAnnexUs is a reliable and intuitive way to find, contact, transact with, pay and review lawyers and accountants in your area." Founder Simon Astill.

## The lawyer's app that will change an industry

ProAnnexUs is an innovative solution to a common problem. Created with startups and small business in mind, ProAnnexUs connects talented professionals from across a variety of fields who need the professional help but don't know where to go.
